EXPERIENCE

The Baltimore Sun, Baltimore, MD — Photojournalist

FEB. 2017 - PRESENT

I produce natural sound video packages and make photos as part of [The Sun's](#) daily news coverage. Depending on the day I could be covering an Orioles game, rushing to a crime scene or making portraits, always on tight deadlines. I also help operate our social media channels (including TikTok, Twitter and Instagram) and train others in video production.

The Capital, Annapolis, MD — Multimedia Producer

JUNE 2014 - FEB. 2017

I created videos for Baltimore Sun Media's targeted media properties, including The Capital, The Carroll County Times and the Howard County Times, among other publications. I also wrote stories, produced web content and managed multiple publications' social media accounts. I began as an intern and was offered a full-time position upon graduation.

Embassy of the United States, Bogotá, Colombia — Intern

DEC. 2014 - JAN. 2015

Over a winter semester, I interned in the Public Affairs sector of the U.S. Embassy in Bogotá. There, I produced videos for the embassy's [YouTube page](#) and translated English content for a Spanish-speaking audience.

EDUCATION

University of Maryland, College Park, MD — Journalism

FALL 2011 - SPRING 2015

B.A. from the [Philip Merrill College of Journalism](#); Co-founded the [student chapter of the NPPA](#); Editor-in-Chief of The PublicAsian. President of [Global Communities](#); Journalism History Teaching Assistant.

Stockholm School of Economics, Riga, Latvia

WINTER 2014

Completed an investigative project with a group of journalism students about press freedom, oligarchies and the dangers that journalists face when reporting in the Baltic region. Findings published by [Re:Baltica](#).

SKILLS

Bilingual (English & Spanish)

Adobe Premiere, Lightroom, Photoshop, Audition, CC Suite

Most familiar with Nikon DSLRs, GoPro, DJI drones

AP Style, copy editing, studio lighting and pitch-writing
